

**DIRECTIONS:**

- Excellent cleaner for your Drive-Thru and parking areas. Apply by Spray, Brush, Flow-on or soak methods. Allow 5 to 10 minutes soak time before rinsing.
- FULL STRENGTH - HORIZONTAL SURFACES: Apply sparingly to soiled area and spread with a stiff brush to insure the complete area is covered. Covering only that area which is to be cleaned. Allow to soak 5-10 minutes, depending on soil. Then brush the area again and rinse away with water. Thoroughly rinsing insures complete cleaning.
- FULL STRENGTH: Apply to soiled areas and allow to soak for 5 minutes, then rinse with water.

- Can be used for: Degreasing machinery, cleaning engines, agricultural equipment, aircraft maintenance, railroad shop operations, machine shop and metal working plant clean-up, oil refineries, shipyards and docks, removing oil, grease and tar from trucks, tank cars, tankers and barges, dispersing oil spills in water, cleaning of concrete drives and ramps, Diesel locomotives, fifth wheels, transmissions, etc. Also excellent for removal of cosmoline. Safe on all metals.

**KEEP OUT OF REACH OF CHILDREN.**

**DANGER: DO NOT TAKE INTERNALLY. HARMFUL IF SWALLOWED.**  
 May cause harm to painted surfaces if not used as directed  
**Safety, Storage, Shelf Life:** Always wear proper PPE when handling or working with any chemical. Do NOT apply any chemicals on sun baked surfaces. Product is guaranteed for one year in original container.
