

**DIRECTIONS:**

- For high-pressure machine washing: dilute one ounce to one gallon of water. Rinse with clear water and allow to air dry. For higher gloss, buff surface with soft cloth.
- For manual washing: dilute two ounces to a gallon of water. Wash in usual manner, rinse and allow to air dry. For higher gloss, buff surface with a soft cloth.

Wash & Wax 40 is a highly-concentrated waxy shine vehicle shampoo. It instantly washes away dirt and road grime, doing the whole job in one easy operation without rubbing or polishing. Specially designed for metallic & metallic-painted surfaces it protects the vehicle against rusting dust, and corrosion and leaves a light luster and a water repellent coating. Wash & Wax 40 is non-streaking and rapid drying.
